2020
CGPA: 10.0

## Skills

**Technical Skills:**
- HTML, CSS, JavaScript, React, Node.js, Express.js, SQL, MongoDB
- C, Java, Python
- Microsoft Excel, PowerPoint, Word, GitHub

**Soft Skills:**
- Effective Communication
- Team Collaboration
- Problem-Solving
- Time Management

## Experience
None yet completed, but proactive in university projects and club activities.

## Projects

### Bus Tracking System

Developed a web application to enhance transportation efficiency by tracking buses in real-time.
- Technologies used: HTML, CSS, JavaScript, React.js, Node.js, Express, MongoDB
- Implemented features for real-time location updates and route optimization.

### Cloud Club Website

Built the first website for the Cloud Club at Anurag University, establishing a foundational digital presence for the group.
- Technologies used: HTML, CSS, JavaScript
- Developed sections for club activities, events, and member information.

### Personal Portfolio Website

Developed a comprehensive personal portfolio website to showcase my skills, projects, and certifications. The portfolio is designed with a modern and responsive layout, ensuring compatibility across various devices and screen sizes.

-Technologies Used: HTML, CSS, JavaScript

### Google Form Clone (In Progress)

Developing a clone of Google Form with similar functionality and design.

-Technologies Used: HTML, CSS, JavaScript, React, Node.js

-Status: 80% frontend completed, 10% backend completed

## Extra-Curricular Activities

### Active Member, Cloud Club, Anurag University
- Contributed to organizing and conducting workshops on cloud technologies.

## Certifications
- Certified in React and Python by Hacker Rank
- Certified in Python by Cisco Networking Academy
- Certified in C and Java from Infosys Springboard
